CLIENTS

99%

say our training has improved their SAP skills and productivity

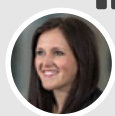

97%

would recommend us to their co-workers

“ The final exams were tough but fair and I have already used many of the theories learned in my day to day job. ”

-Derek Francis
Accountant, OCE / Canon

“ It was great as all the courses were detailed and would explain a lot of the 'why' questions students might have. ”

-Michelle Ward
SAP Consultant, Deloitte
